

Democrats Will Select Two For State Meeting

Democrats of Randall county will meet in precinct conventions next Saturday for the purpose of selecting delegates to the county convention which will be held in Canyon on Tuesday afternoon, May 4.

Precinct conventions will be held in all of the voting boxes of the county at 2:30 o'clock in the afternoon. At the Alice Landergin School in South Amarillo the convention will be held at 7 o'clock in order to give working men a chance to attend.

In the precinct conventions Saturday, the number of delegates will be based upon the number of votes cast for Governor in 1946. Under this law the following delegations will be selected:

No. 1, 19 delegates; 2, 2 delegates; one delegate each in precincts 3, 4, 5, 6, 7; 4 delegates in precinct 8; and 9 delegates in precinct 9.

The total vote for governor in 1946 was only 931 in Randall county.

Clyde W. Warwick, county chairman, received notice Monday that presentation in the State Convention at Brownwood to be held on May 25 would be on the basis of 500 votes, or major fraction thereof. This means that Randall county will have 2 votes in the state convention which will select delegates to the National Convention to be held in Philadelphia in July. The National Convention will name the Democratic candidates for President and Vice President.

The only question which will confront the delegates in the precinct and county conventions will be whether or not delegates will be instructed, or will go uninstructed. It is the consensus of opinion that President Truman will be renominated for the presidency regardless of the sentiment which seems to be against him in the South.

The barbecue held in Port Worth last week which was supposed to be anti-Truman drew a very small crowd. But the barbecue held in Waco for the purpose of supporting the president drew a smaller crowd. Neither of the barbecues told the voters a single thing about prevailing sentiment in Texas.

New Pump Will Improve Water Supply of City

A new pump has been installed in the new city well which was drilled during the war in the west part of town along the railroad. When the well was completed it was impossible to get the type of pump that the city wished, and a used pump had to be secured.

With the new pump installed, the city now has a capacity of a million gallons of water daily. It is hoped that this will carry the city through the summer months.

Last week the patrons of the city water department used an average of 3-4 million gallons per day, and during the peak of last summer the consumption mounted to 25 million gallons per month, or a little less than a capacity production of a million gallons daily. It will be necessary to run the entire water plant at capacity during the summer months in order to provide this amount of water.

Red Cross Drive Quota Is Reached In Randall County

Mrs. C. O. Elkins, chairman of the Red Cross Drive for funds in Randall county, announced this week that the campaign just completed had been successful, and that the quota of \$2,000 set for this county had been reached.

Mrs. Elkins wishes to express her thanks to all contributors in Canyon and Randall county, and her appreciation to all persons who helped to make the drive successful.

Attended Funeral In Decatur

Mr. and Mrs. J. C. Dowd accompanied by T. H. Rowan and Mrs. G. S. Ballard of Amarillo attended the funeral of Dr. E. M. Gettys at Decatur Sunday. Dr. Gettys was the husband of a niece of Mrs. Dowd, Mr. Rowan and Mrs. Ballard.

Dr. Gettys had been connected with Decatur College for 33 years and dean of the college for the past 25 years.

Mr. and Mrs. Dowd also visited with their daughter, Miss Martha Jean Dowd who is teaching in Kaufman while they were away. They returned Monday night.

ATTEND MEMORIAL SERVICE

Mrs. Nell Swinger and daughter, Susan, attended Memorial Services for their husband and father, Capt. Harold H. Swinger, Jr., in St. Louis, Mo. The military services were conducted Friday, April 23.

Capt. Swinger was killed in Normandy, France, in June 1944. He was a paratrooper with the 505 Parachute Regiment, 82nd, Airborne Division.

The Canyon News

Fifty-Third Year

Canyon, Texas, Thursday, April 29, 1948

Number 9

Clean-up Campaign Will Be Started Monday, Under Direction of the Lions Club and Officials of Canyon

Clean Up Week has been designated in Canyon by a proclamation published in this issue by Mayor W. A. Warren.

The Canyon Lions Club has taken over the direction of the campaign, and is calling on all citizens of Canyon to assist in this much needed campaign. Cards are being placed in the monthly water statements which call attention to the campaign. Handbills will be distributed to every home in Canyon this week asking that all citizens help in this campaign.

The campaign will start on Monday, May 3. Trucks will go through the alleys to gather the rubbish which cannot be burned. However, the city urges that every citizen burn all of the trash that will burn in order to make the campaign less of a burden upon the city.

Mayor W. A. Warren asks that no citizen pile trash or surplus dirt on the pavement for the city to haul away. Such an accumulation stops drainage, and in case of rain the accumulated water is hard on the pavement.

Dr. A. K. Knott, president of the Lions Club, states that the town has been well organized in order to carry on the campaign as quickly as possible. While a week has been set aside for this work, the real campaign should be over in a few days with the whole hearted co-operation of all citizens.

Time For Men To Go Back To Church Pray For Guidance

Rev. Elmer D. Henson, pastor of the Bethany Christian Church of Houston, spoke Tuesday at the Rotary Club luncheon on the great needs of the hour. He came to Canyon upon invitation of Rev. Weems S. Dykes, pastor of the local Christian Church, to speak at the luncheon. Rev. Henson is a brother of Rotarian Virgil Henson.

"No finer record is being made than Rotary in creating a deposit of goodwill around the world. There has never been a time that so much goodwill was needed," stated the speaker.

During World War I, America advocated ideals of peace. But America was unwilling to live by the ideals for which men had fought and died. As a result we had World War II, when the same ideals again were fought for, and today are again being neglected.

The speaker described seeing ships loaded with scrap iron and oil which were shipped in 1939 from Houston to Japan and Italy. Preachers in Houston cried out against this practice, but were threatened by business interests.

The war came. We learned of places of which we had never before heard. We declared against fear, but the atomic bomb has brought fear into the heart of every American. Russia will develop the atomic bomb. Brute force is not enough. The revival of the spiritual life alone will save the world, declared the speaker.

The world needs to have its spiritual reservoir filled. There is need for men to go back to church and pray for guidance. We are a part of the world, and must take conditions in the world seriously.

Visitors were: R. A. Henson, father of the speaker, Nolan Henson, J. L. Gilmore, Weems Dykes, all of Canyon; R. L. McElroy of Lubbock; Arch B. Hunsley, Frank Edwards, Earl Kromer, John Hill, Irving Tolzien, H. M. Bainer, A. D. Steed, Arthur Osgood, Jim Rountree, all of Amarillo.

New Dates Given For Examinations

According to an announcement made this week by the Department of Public Safety, examinations for driver's licenses will be held here the first, third and fifth Thursdays of each month, effective May 1.

All persons who wish to take the examinations are requested to appear on these days.

REUNION IN MOBEETIE

Mr. and Mrs. R. D. Lowry met her brother, Ed Seay of Bronson, Colo., and a sister, Mrs. Wilson Edwards of Kim, Colo., in Old Mobettie last Sunday in the old Seay home for a reunion. It was the first time in several years that the three had been together.

RETURNS TO STATES

Ensign G. W. Fullerton arrived in Canyon Thursday after serving for the last seven months in Shanghai, China, and other points in the South Pacific. He and Mrs. Fullerton left Canyon Saturday to go to California where he expects to be stationed for the next year and will attend law school. Mrs. Fullerton is the former Mary Canada.

Region I Bands Meet in Contests Friday-Saturday

On Friday and Saturday 3000 band members forming 36 bands from high schools throughout Region I of the Interscholastic League will gather at West Texas for one of the largest contests of its kind ever to be held here.

Bands, ensembles, soloists, twirlers, student directors and band directors will all show their skill to the judges in the huge affair, trying for first division honors in their respective contests.

Concert bands will play in contests all day Friday and Saturday in the auditorium of the Administration Building. The program there will open at 8:30 on Friday and continue until 6:30 in the evening. On Saturday the contests open at 8:30 a.m. and continue until 4:00 p.m.

Contests in solos will be conducted in various parts of the building. Nineteen bands will compete in the Marching Bands contests in the Buffalo Stadium beginning at 7:30 p.m. Friday and at 4:00 p.m. Saturday. There will be a small admission charge made to the Stadium. All other contests are open to the public free of charge.

Mr. M. J. Newman, director of the College Band, said that he hoped all people in Canyon who enjoyed good band music would take this opportunity to hear the best in this area during the two days of contest and exhibition.

P. T. A. Urges All Citizens to Vote Saturday

The following statement was made Tuesday by Mrs. J. D. Barker, president of the Parent-Teachers Association:

The Parent-Teachers Association, with the welfare of our children in mind, has been instrumental in bringing before the public the poor conditions in the public school plant. The health of our children is being directly affected by these conditions.

The Parent-Teachers Association appreciates the action of the board of trustees in placing this issue of school improvements before the voters of the Canyon Independent School District for their action.

Citizens are asked to vote Saturday, May 1, on the proposed \$75,000 bond issue for the purpose of correcting these defects.

Clouch Suit For Damage on May 4

The second trial of the damage suit of W. W. Clouch against the city of Canyon has been set in district court for next Tuesday.

The first trial resulted in a hung jury of eight to four, according to reports following the trial.

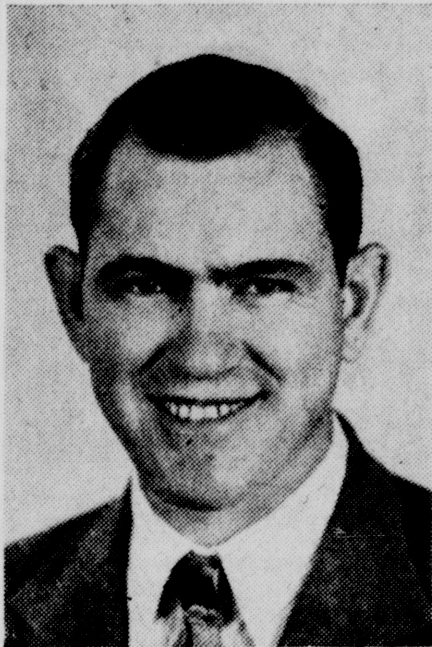

Mr. and Mrs. C. N. Tippery and little daughter, Sallie, have moved from Hereford to Wellington, Kans., where he is being transferred by the Santa Fe. Mrs. Tippery is the daughter of Mr. and Mrs. W. H. McAtee of this city.

Mr. and Mrs. Jap Wilson and children of Claude visited in Canyon Friday evening with their daughter, Martha, and also in the home of their niece, Mrs. A. M. Cunningham.

Mr. and Mrs. J. E. Sanders of Dallas are spending the week in the home of her parents, Mr. and Mrs. R. E. Gill. Mrs. Sanders will be remembered as Miss Ruth Gill.

Mr. and Mrs. Henry Gill of Amarillo and Mrs. Mary Underwood of Los Angeles, Calif., visited in Canyon Friday in the home of Mr. and Mrs. R. D. Lowry.

Hayden E. Weaver Is Candidate For County Attorney

HAYDEN E. WEAVER

Hayden E. Weaver has announced his candidacy for the office of County Attorney of this County subject to the Democratic Primary.

He is a veteran of the past war with four and a half years in the Pacific Area.

He is now a practicing attorney in Canyon. He studied Law at the University of Texas and at Southern Methodist University, graduating from the latter school, and is a member of the State Bar of Texas.

Mr. Weaver states that, if elected, he will diligently attend to the duties of County Attorney with the purpose in mind of serving all the people of this county, and that he will co-operate fully with the Sheriff's Office, the District Attorney, the Commissioner's Court, and the other County Offices.

Council Church Women Observe Fellowship Day

On May 7 the Canyon Council of Church Women will observe Fellowship Day with a covered dish luncheon at the Presbyterian Church.

The morning session will open at 11:00 o'clock with a program and a business session. At 12:00 a covered dish luncheon will be served in Friendship Hall in the basement of the church.

An address by Dr. James P. Cornette will be the feature of the afternoon session.

All church women in Canyon are urged to come to this meeting. A nursery will be provided to care for the small children of mothers wishing to attend the sessions.

Local Church Will Aid in Dr. I. Q. Program Friday

The original Dr. I. Q. of radio fame will give a quiz program at the municipal auditorium in Amarillo Friday night for the benefit of the Episcopal Church in Hereford. Members of the local Episcopal Church will have an important part in the program.

The former Dr. I. Q. is now Rev. James McClain, in charge of the Episcopal churches in Eastland and Breckenridge.

Hereford Planning 50th Anniversary to Be Held on May 8

Citizens of Hereford and Deaf Smith county are planning a monster celebration on Saturday, May 8th in observation of the 50th anniversary of the founding of that city.

Many Randall county citizens are expecting to attend this celebration.

A. A. U. W. MEETS MONDAY

The Canyon Branch, Association of University Women, will hold its last meeting for the year Monday evening, May 3, at 7:30 o'clock, in the country home of Mrs. Charles Harter.

Miss Mae Simmons, chairman of the International Relations Group, is planning a very interesting program, including some slides on China.

Sunday dinner guests in the home of Mr. and Mrs. P. M. Wilson were: Mr. and Mrs. John W. Wilson from Amarillo, Mr. and Mrs. Paul Grover and family from Stinnett, Mr. and Mrs. Sardon and Mr. and Mrs. Killery and family all of Mobettie, Bill Kennison and Perry Wilson of Long Beach, California, Mr. and Mrs. Warren H. Wilson from Dawn and Mr. and Mrs. C. E. Clark of Canyon.

Mrs. A. B. Masterson of Anaheim, Calif., arrived in Canyon last week to visit in the home of her daughter, Mrs. Lonnie Byars.

Mr. and Mrs. H. D. Curtis were in Lubbock Saturday to visit with friends and attend to business.

Local Citizens Called To Meet on Friday Night

The following invitation has been sent out by the Chamber of Commerce to citizens of Canyon to meet Friday night at the court house for a public discussion of public questions:

The Chamber of Commerce of Canyon has long felt a need for a more closely coordinated relation between the Administration of the West Texas State College and the citizens of the City and County on a future planning and improvement program for both the college and the community.

Dr. James P. Cornette, Executive Vice-President and President Elect of West Texas State College, has offered to inaugurate a forum-discussion-meeting at which time these mutual problems can be considered.

We take this opportunity of extending an invitation to you to attend this new venture in 'college-community understanding' to be held for the first time Friday, April 30, at eight o'clock p.m., at the District Court room.

Your attendance on this occasion will help us decide if there is sufficient interest to justify making this forum-discussion-meeting an annual affair.

Street Work in Canyon Will Be Started Soon

Work will start next week on patching up the winter's damages on the city streets, according to Mayor W. A. Warren.

Many of the streets which have no gutters have been badly damaged by the snow and freezes of the winter months.

A crew of men will start patching the defects in the streets the first of next week. The city has bought a roller for this purpose.

The city plans to patch the streets during the months of May and June. The streets will then be given a coat of topping during the hot weather of July, according to present plans of the City Commission, stated Mr. Warren.

Dr. Hill Honored By W. T. Exes in Two Counties

Exstudents of West Texas State have given dinners during the past week honoring President J. A. Hill.

The first dinner was in Wellington, attended by exes from Collingsworth County. The second was in Childress where scores of exes met Tuesday night to honor Dr. Hill.

A review of the useful life of Dr. Hill during the past 38 years as a member of the faculty of West Texas State, and President for 30 years was reviewed by Dr. James Russell of the Education Department.

Dr. Hill will retire as President of West Texas State on August 31.

Stork Specials

Born to Mr. and Mrs. R. E. Horn a boy on April 22.

Mr. and Mrs. Aaron Parker are the parents of a baby boy, born April 24.

A son was born to Mr. and Mrs. Gene Cayton April 24.

Mr. and Mrs. Jack Neil Cooper of Midland are the parents of a son, James Burke, who arrived April 24. The baby weighed seven and one-half pounds. Grandparents are Mr. and Mrs. Crannell Tolliver and Mr. and Mrs. C. O. Cooper, all of this city.

Mr. and Mrs. W. T. Oliver returned Tuesday night from Raymondville where they have spent the last two weeks. Mr. Oliver was directing the harvesting of his onion crop.

A PROCLAMATION

KNOW ALL CITIZENS OF CANYON BY THESE PRESENTS:

WHEREAS, a National Cleanup Campaign is now underway, and WHEREAS, the Local Lions Club is anxious to sponsor such a campaign, and WHEREAS, such a campaign is deemed desirable:

To Promote Health and Sanitation

To Aid Fire Prevention

To Promote Civic Pride, and

To Enhance the beauty of our Local Community;

NOW THEREFORE, May 3 - 9, A. D. 1948, is hereby proclaimed Clean-up Days in Canyon. Witness my hand, this 27 Day of April, A. D., 1948.

W. A. WARREN
Mayor, City of Canyon

Tax Payers Will Vote Saturday on \$75,000 Bond Issue to Improve Schools in Independent District

The trustees of the Canyon Public schools are this week making the last effort to fully acquaint local taxpayers with the important facts concerning the bond issue to be voted on Saturday, May 1. A listing of these facts is presented below.

1. Qualified voters for this election are those who own property and have rendered same for taxation within this district and who has each paid his poll tax.

2. The polling place is located at the City Hall of Canyon.

3. The purpose of this bond election is for the addition of class rooms, cafeteria, bus loading area, a new class room lighting system, plumbing facilities, and electrical wiring installation, and class room equipment for the above mentioned additions.

4. A favorable vote on this proposed bond issue will result directly in a valuation raise on all taxable property within the district. This fact has been brought to the attention of the public for several weeks now but the Canyon School Board desires that tax payers fully understand this taxing effect before they go to the polls Saturday. This valuation raise will approximate a 25 percent increase in valuations.

The total amount of this bond issue will not exceed \$75,000 and will provide for these immediate needs which have arisen gradually through the years by an increase in enrollment and the additions of new departments in the curriculum and extensions of existing school facilities in accommodating new types of school programs, etc.

There are not enough class rooms for the Junior and Senior High students. The Vocational Agricultural Department does not have enough room, thus making it impossible to use the many thousands of dollars worth of tools presently in storage, contributed by the Government.

The Band and Choral Groups have no permanent satisfactory meeting place. The Manual Training Department cannot accommodate enough at one time. There are not enough lockers.

The rest rooms are inadequate and none are provided for the teachers. The Physical Education Department does not have the proper facilities.

The lighting in the class rooms

Cunningham's Install New Radio Shop

A new radio shop equipped with the most modern equipment, has been installed in The Cunningham Appliance Company.

Mr. Bill Johnson, who has had several years experience and is a graduate of five different radio schools, is in charge of the shop.

Mr. Johnson is moving his wife and two children from Pampa to make their home in Canyon.

Cancer Fund Slow In Randall - Ask Funds at Once

Though contributions are coming in to the Cancer Fund Randall Co. is still far short of its quota. There has been contributed to date \$112. The quota is only \$408.

The need is so urgent, we should exceed this goal easily. Contributions may be left at the Bank or handed or mailed to Rev. Weems Dykes or to Rev. Hubert Thomson.

Light Shower Fell in Canyon Last Wednesday Night

The first rain in six weeks fell Wednesday night.

Only 28 of an inch of moisture fell in Canyon. The amount of moisture varied in different parts of the county, as the clouds traveled from north to south.

Mrs. H. L. Hines of Amarillo spent last week visiting in the home of her son-in-law and daughter, Mr. and Mrs. Rhomb Mobley and children. Curtis Dale, baby son of Mr. and Mrs. Mobley, returned with Mrs. Hines to Amarillo for a visit.

falls short of the lighting requirements for good health.

To meet these inadequacies the School Board has set about the task of adapting the three Government buildings which were acquired from the Amarillo Army Air Field, to the needs of extra class room space for the Vocational Agriculture Department, Band and Chorus, the Woodwork and Mechanical Drawing classes and Cafeteria space.

One of these buildings will be used for a School Cafeteria since it was built as a nurses cafeteria and still has much of the kitchen equipment left intact. The building could also be used for community and civic programs.

It was agreed that the location of this building would be established between the high school and grade school buildings. It would be joined to the present brick buildings by a brick and glass hallway.

The other two Government structures would be moved to the rear of the present school buildings and would house the departments of Industrial Arts, Music and Vocational Agricultural, all of which are usually noisy in operation and should be removed from the immediate vicinity of the other class rooms. A portion of one of these buildings would be used for additional locker and storage space.

Fund For Girl Scout Barrack Half Way Mark

The Canyon Girl Scout Association has passed the half-way mark in the drive to secure \$1,000 for completion of a Scout Hall.

Negotiations are underway for the purchase of a lot on Third Avenue, in the vicinity of the public square. The barrack house which the Girl Scouts have acquired will be placed at this location. It is hoped that the barracks will be moved to this lot within two weeks.

A complete list of donors for the new home for the Girl Scouts was not available as the canvass of business houses had not been completed yesterday. It is hoped that all who wish to contribute to this fund will leave their donations at the bank, News office, or with any of the Scout leaders.

More than 100 Canyon Girl Scout swimmers are completing the last of a two weeks refresher course in swimming offered by the local Council at the college indoor pool.

Instruction is being furnished by Miss Jane Darland, Mrs. Noble Armstrong and Mrs. Ray Cole.

District Court To Get Underway With Grand Jury Monday

Due to the fact that Judge Henry S. Bishop was unable to be in court this week, the April term was officially opened Monday, but adjourned so that Judge Bishop could return to his court in Amarillo.

The grand jury announced last week has been summoned for next Monday, and the petit jury on Tuesday.

Republicans Will Select Delegates To State Convention

Republicans of Canyon will meet Saturday evening at 7 o'clock to select delegates to the county convention, which will be held next Tuesday. A. L. Tarlton is county chairman.

The state convention will be held at Corpus Christi on May 25.

Candidates Are Invited Twice

County and district candidates are invited to two political rallies during the coming two weeks.

A rally will be held at the Jewell school house on May 7. The following Friday night, May 14, the candidates are invited to the Park School house.

WAFFLE SUPPER

Mrs. L. Wirt was hostess to members of the Uzeland Sunday School Class of the First Baptist Church for a waffle supper in her home Monday night. The class is one of the Young People's Department of the church.

MARRIAGE LICENSES.

Avin Wilson to Mae Cody, April 21.

Billy G. Tate to Mary Edna Wise, April 24.

Floyd Howard Bell to Mary Ella Burnam, April 24.

Ralph Edward Burrow to Anna Louise Miller, April 25.

Mr. and Mrs. Buel Wharton and children of Amarillo were Sunday visitors in the home of Mr. and Mrs. A. M. Cunningham. Mr. Wharton is a brother of Mrs. Cunningham.

Editorials

VOTE SATURDAY

Voters of the Canyon Independent School will be called upon Saturday to vote in favor of a \$75,000 bond issue.

The News hopes that a large vote will be cast. We have seen other school districts approve big bond issues with only a handful of votes.

We doubt if there are any citizens in the district who fails to see the need of this bond issue. All of us know that the school needs the improvements which are called for in the bond election.

Unfortunately we always have with us citizens who oppose bond issues.

Since we are opposed to private and public debts, we can see their point of view.

But in this instance we are faced with an emergency which must be solved at once. The schools can no longer delay action on these improvements.

There are many people in Canyon who believe that instead of the proposed improvements that a new \$750,000 high school building should be built. If conditions were normal, we might favor such a large bond issue. Facts are that \$750,000, under present building costs, would not provide much better facilities than proposed by moving three army buildings to the campus and putting them into first class condition.

Frankly, the school trustees have made a good trade in buying these three buildings. But the buildings cannot be moved until the money is available. It costs money to move and equip buildings, and the district simply does not have the money with which to do the job at this time.

The News has carried several articles and editorials on the school situation during the past month. The readers should have made up their minds long before this time what they wanted to do on Saturday.

With all of the information which has been given, we feel that the bond issue will be approved if there is sufficient interest among the persons who are vitally interested in seeing our schools improved. We feel that the school plant will be sufficiently improved to care for the needs of the district for many years. A debt of \$75,000 is much more comfortable than a debt of \$750,000, especially when the tax payers would not be getting their money's worth in starting a new building.

By all means go to the polls and vote your sentiment Saturday.

John L. Lewis and his gang of arrogant miners believe that they are above and beyond the law. If federal judges will continue dishing out justice, Lewis may find that he is just another criminal when he is charged in court. Years ago most of us felt sorry for the miners. They were underpaid and mistreated by the mine owners. John L. Lewis is responsible for raising miners' wages to the highest point of all trades. He has made the operators introduce safety devices which has made the trade comparatively safe. But at best mining is not a pleasant job and the men deserve to be treated like humans. The present fight was over payment of the pension plan. About three million dollars is in this fund. Lewis was at logger heads with the mine owners over the distribution of the fund. The public has an interest in this fund since it was collected by a bonus of 10 cents per ton on coal mined. The miners did not put up the money; the operators only collected the money; while the public dug up the cash. For that reason the public has a right to expect that the miners shall work for the high wages they are paid and for the pension that they hope to eventually receive. The public pays the bill.

Canyon is called upon to clean up. April is not the best month for a clean up campaign, but we are now approaching May, when more favorable weather is expected. Those who have not done a good job of cleaning up their own premises should get busy right now and assist in this good work.

In a theater lobby, the initials S. R. O. mean standing room only.

SATURDAY'S CONVENTION

Democrats of Texas will go to the polls Saturday to express their sentiment on the present administration, and to decide whether or not delegates from Randall county shall go to the State Convention instructed for President Truman, or go uninstructed.

There were two political barbecues last week. Both were washouts so far as attendance was concerned. Few voters took the time to go to these feasts.

Governor Jester and the Democratic State Committee met at Fort Worth. They made it clear that they were not bolting the Democratic ticket, but wanted the Texas delegation to go to Philadelphia uninstructed—just in case General Eisenhower, or some other outstanding man might pop up as a likely candidate.

The barbecue at Waco wanted a delegation instructed for the President.

In view of the fact that a president has never been denied re-nomination for a second term, and in view of the fact that no Democrat is being groomed for the nomination, Truman will get the honors, if there are any honors in this 1948 Presidential election.

At any rate, the rank and file Democrat of Texas has just one place in which to stand up and be counted in presidential matters. This is in precinct convention. All of us like to rush to the polls in the general election. Knowing that our vote counts for little in the presidential election, but we forget that we have a voice that really counts in the precinct conventions.

Citizens of Randall county have two fine opportunities to aid West Texas State in building a bigger and better college. President J. A. Hill is anxious to close the Chapel Fund within a few weeks. He wants to see the chapel well under way before he retires as head of the college on August 31. Those who have not made a contribution to the chapel should do so at once. The other opportunity is to complete the second unit of the Museum. This institution is bringing thousands of people to the campus every year. It takes money to build. The Museum needs money right away to carry on the work that is in progress. Where could you put your money that would be of greater material blessings to the future than on the campus? Give liberally.

According to Henry Wallace we are making a mess of both foreign and domestic problems. Only Henry knows what should be done, and how it should be accomplished. The balance of the world is out of step with Henry. Perhaps Henry is a good objector, something that the administration needs, but we can all thank our lucky stars that Henry is not running things in Washington. Harry is pretty weak, according to the opinion of many, but he is a decided improvement over what we would have had in the White House had not the Democrats of 1944 rebelled against Wallace and caused Roosevelt to drop him.

That fellow Stassen is brave in tackling Taft in his own home state. He let Dewey have New York without a contest. He is after 23 of the 53 votes in Ohio, and now expresses regret that he did not go after the entire bunch. However, Stassen may be a little over enthusiastic. Should he knock Taft out of the running, there might not be a deadlock between Dewey and Taft, as often predicted. But he is running his own show, and America likes him a little better every day.

Stalin claims that we bought Italian votes, and cause the defeat of the commies. Perhaps so. At least a majority of the Italians preferred to eat out of the hand of Uncle Sam rather than be beaten by the unscrupulous hand of Stalin.

NOTICE TO THE CREDITORS AND ESTATE OF ANTON BECKMAN, DECEASED

Notice is hereby given that original letters testamentary upon the estate of Anton Beckman, deceased, were granted to me, the undersigned, on this 21st day of April, 1948, by the County Court of Randall County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office is Canyon, Randall County, Texas.

OUR DEMOCRACY—by Mat

The true test of civilization is not the census, nor the size of cities nor the crops—no, but the kind of man the country turns out.

I am an American. A free American
Free to speak—without fear
Free to worship my own God
Free to stand for what I think right
Free to oppose what I believe wrong
Free to choose those who govern my country
His heritage I pledge to uphold
For myself and all mankind.
—THE FREEDOM PLEDGE

Christian Church To Have Services at Ceta Glen Canyon

The members of the First Christian Church will have their Sunday Services at the Ceta Glen Christian Camp on May 2nd, in keeping with family week in the church which is observed from Sunday, May 2nd, through Sunday, May 9th, which is mother's day.

Members are requested to meet at the church Sunday morning at 9 a. m. and leave as a group. Also to bring a basket lunch along for dinner.

The morning services will consist of Sunday School, the Lord's Supper, and the morning preaching service. After dinner recreation will be provided for the children. The meeting will close in the afternoon with a devotional service.

There will be no services at the church May 2nd, unless the weather prevents the services being held at Ceta Glen. If bad weather would prevail then the services will be held at the church at the usual time and the basket luncheon will be held in fellowship hall at the church after the morning worship service.

The truck driver, the stevedore and the short order cook are using English that probably will be standard with educated people 50 years from now.—Prof. Norman Lewis, College of the City of New York.

IT'S A BIG JOB THESE DAYS

One of the first things a new telephone operator learns is to be always ready for the next call—your call—anybody's call!

Operators have a lot of calls to handle nowadays. There are more telephones in use than ever before and calling is at an all-time high. The switchboard at times is literally ablaze with lights—each one calling for "Number, please?" and each one getting a "Number, please?" as quickly as skilled and courteous operators can manage. If your call is not answered at once, you'll know that nimble fingers will reach it as soon as they possibly can.

As soon as much-needed new equipment can be obtained and installed, we'll be ready to handle your calls quicker and better than ever before.

SOUTHWESTERN BELL TELEPHONE CO.

Arts, Mechanics Lure Most G.I.s

Average Veteran Student Is 26; Former Army Enlisted Man.

WASHINGTON. — The average veteran in training under the G.I. bill of rights is just past 26 years old. He was an enlisted man in the army, had previously completed 3.7 years of high school, and is entitled to 39 months' training under the bill.

This was shown by a recent census of G.I. students, released by Veterans' administration. The report showed that while more veterans are studying liberal arts than any other one course, the favorite occupational aim of those taking on-the-job training is that of mechanic.

Thirty-eight per cent of the students, according to the report, are married, and half of them have dependents—wives, children or parents. The census, taken on a 1 per cent sampling of all veterans who entered training before April, 1947, showed that 1,825,118 G.I.s are studying in schools of higher learning or other institutions, and 619,647 are in on-the-job training. Another 1,049,661 have either finished their training or dropped out.

Few Women Students.

Not quite 2 per cent of the veterans in training under the G.I. bill are women, although women comprise 2.2 per cent of the total veteran population. And, the report showed, women account for 2.4 per cent of the trainees in schools, but only 0.4 per cent of those in job training.

Most of the G.I.s in schools are in universities or colleges—907,554 of them, according to the study. But 91,000 are in professional or technological schools, 54,700 are in teachers' colleges and 72,200 are in junior colleges. Of those attending other schools, 61,100 are in technical institutes, 99,400 in business schools, 125,100 in elementary or secondary schools, and 413,300 in vocational or trade schools.

Engineering Ranks High.

Following liberal arts as the more popular courses among the veterans in schools are engineering, crafts and trades, business courses and business administration, flight training, agriculture and medicine. On the bottom of the popularity list is social work—only 3,377 students are studying it under the G.I. bill, according to the census. Second from the bottom is dancing.

Most popular employment objective of veterans in on-the-job training is that of mechanics and repairmen for motor vehicles and railroads, with 56,764 students. Second is the job of farm manager or foreman, and third and fourth are mechanics and repairmen in other fields, and managers and officials.

At the bottom of the list among those working on the job is general woodworking, with airplane mechanics and morticians a close second and third.

Farm Mechanization Boosts Production to Record Level

OMAHA, NEB. — Americans are harvesting 20 million more acres today than they did in 1940, although there are three million fewer people doing it, and on 200,000 fewer farms.

Fast-growing mechanization of farms is largely responsible for this feat, Joseph A. Hoban, merchandise manager of B. F. Goodrich company, told members of Midwest Implement Dealers association. He cited the fact that the nation's tractor "population" had doubled, from one million to two million, just since 1940.

Praising "the way America's farmers and other food producers had come through to ease tragic conditions in many lands," Hoban cited the following estimates on the nation's 1947 exports of foodstuffs: 392 million bushels of wheat, five times the amount exported in 1939; 83 million bushels of corn, compared to 32 million in 1939, and 328 million pounds of meat products, against 193 million in 1939.

The farm market offered "the biggest sales opportunity" for industry in 1947, Hoban said, adding that "there is no question that this market is going forward at as great or even greater pace in 1948."

Hoban said that all tractors now made are rubber-tired, and that changing all a farm's rolling stock from steel to rubber tires produced an average saving of 24 working days, and 675 gallons of gasoline per year, for each 150 acres worked.

Millionaire Who Backed 'Death Valley Scotty' Dead

HOLLYWOOD, CALIF.—The man who grubstaked Death Valley Scotty for 30 years died recently. Albert Mussey Johnson, 72, former president and chairman of the board of the National Life Insurance company of Chicago, built Walter E. Scott's two-million dollar desert castle.

Scotty, legend had it, owned a secret desert mine from which he took gold as he chose, but in 1941 a lawsuit revealed that Scotty's wealth was a myth, that he owned no mine, never sold a dime's worth of gold and didn't own the castle he occupied.

"I've lent him considerable money over a long time and he has paid me back in laughs," Johnson once said.

Save time and labor with a garden tractor. Consumer's Wholesale. 347

Back in 1916 when your columnist was "cub reporter" on the Memphis Commercial Appeal, Vincent M. Carroll was one of the ace members of the staff.

Years went by—and I was editor of the Ranger Times.

One day, the phone rang and it was the advertising manager of the Southwestern Bell Telephone Company, speaking in his office in Dallas. He said, "Are you the same Boyce House who used to work on the Commercial Appeal in Memphis, Tenn.?" "Yes." "Well, do you remember a man who was a reporter, by the name of Carroll?"

"You mean Vince Carroll? Yes, I remember him very well."

It flashed through my mind that Carroll was in Dallas, wanting to get a check cashed and had given me as reference. I hoped the check wasn't a very large one. Of course, I didn't say any of this, just thought it.

The phone company official said, "Just a moment; he's here in the office and wants to speak to you." So we had a little chat and then the original caller came back and I asked, "What is Vince doing now?"

"Oh, he's got a job with the phone company; he's our vice president!" Yes, the years bring changes.

While back, the news came that life's chapter had closed for Vince Carroll. He was a fine chap.

Chas. Lamb says about the greatest of joys is to do a good deed secretly and then have it found out, by accident, that you did it.

And when somebody asked Mark Twain how the million people packed into the tenements of Naples made a living, he replied, "Oh, they take in each other's washing."

Despite inflation difficulties the U. S. standard of living is pushing up to a new high. Reasons: (1) Industry is producing 1/3 more manufactured consumer goods per capita than ever before. (2) Productivity per man-hour is up 10% above what it was after V-J day. (3) Industry now employs 5 million more people than in 1939. (4) the average work week is 40 hours, three hours more than in 1939.

The most famous gift from the people of France to those of the U. S. is the Statue of Liberty.

In Europe events move with the breathless pace of a play-by-play broadcast, unbroken even by brief pauses for nation identification.

70 coal companies and railroads are putting up \$250,000 this year to develop a completely automatic mining machine. It will cut solid coal without explosives and load continuously onto conveyors or into mine cars. It will reduce the cost of coal as well as the number of miners working in the soft coal pits—just how much nobody knows.

Even a city dweller takes an interest in agriculture three times a day.

NOTICE TO CREDITORS AND DEBTORS OF THE ESTATE OF BEULAH JONES BRITAIN, DECEASED:

Notice is hereby given that original letters testamentary upon the estate of Beulah Jones Britain, deceased, were granted to me, the undersigned, on this 12th day of April, 1948, by the County Court of Randall County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address is Canyon, Randall County, Texas.

Perry Walton Britain, Executor of the Estate of Beulah Jones Britain, Deceased. 714

MISTER, I SEE A MAN NAMED SAM GIVING YOU \$4998.00 IN 1958!

That's a wonderful prediction the Swami is making, and for once the Swami isn't just talking through his turban.

If you can regularly set aside as little as \$37.50 a month—through the Bond-A-Month Plan at your local bank—ten years from now, Uncle Sam will be handing you the beautiful sum of \$4,998.00, too!

Here's why: Under the Bond-A-Month Plan, your savings are invested in U. S. Security Bonds. These Bonds mature in ten years,

repay you \$100 for every \$75 you put away.

And just think of what you can do with that money! You can make a good down payment on a new home . . . or send the kids to college . . . or have a good nest egg to start your own personal retirement fund.

What's more, by saving this money, you'll be helping to safeguard your country's financial future, too!

Why not drop in at your bank, and sign up for the Bond-A-Month Plan today?

Richardson-Adams
Wedding at Dawn

The parsonage of the Dawn Baptist Church was the scene of the marriage of Evelyn Richardson, daughter of Mrs. R. E. Ramsey of Dawn, and Kenneth Ray Adams, son of Mr. and Mrs. William Adams of Umbarger, Saturday, April 24.

The bride was beautifully dressed in a rose and aqua street length dress with white accessories and carried a white Bible.

The impressive ceremony was performed by the Reverend J. E. Byers. Those attending were: Mr. and Mrs. M. E. Ramsey, Mrs. William Adams and son Lydean, Mrs. J. E. Byers and daughters Peggy Ann and Camillia, Mrs. J. M. Anderson and Clifford Adams.

A reception was held at the home of Mr. and Mrs. M. E. Ramsey for friends and relatives.

The couple will make their home at Dawn.

CRISIS OF DEMOCRACY THEME
FOR SUE HITE CLUB STUDY

"The Crisis of Democracy" was the important subject discussed by Mrs. Crannell Tolliver and Mrs. Robert P. Jarrett at the regular meeting of the Sue Hite Club on Monday, April 26, at 3:30 p.m.

"Anglo-American Ideals in the Conflict" was the topic used by Mrs. Tolliver. "Some Effects of War on American Ideals" was discussed by Mrs. Jarrett.

A most interesting, concise report

of the 7th District Federated Club meeting in Pampa was given by Mrs. Hud Prichard. It was estimated that 375 registered for the district meet. Our 7th district is the largest in Texas.

Acting program chairman was Mrs. Tolliver.

Special recognition was given Mrs. W. E. Miller the only member of Sue Hite Club that has not missed a stated meeting during the present year.

On May 10 the regular meeting of Sue Hite Club will be especially highlighted by a guest speaker, Dr.

S. H. Condron. "America's Place in World Civilization" will be the topic.

Those present were: Mrs. Jerry Newman, Mrs. W. F. Haggard, Mrs. Charlie Duval, Mrs. D. M. Foster, Mrs. Tolliver, Mrs. Jarrett, Mrs. Prichard, Mrs. Larry Holman, Mrs. W. A. Moore, Mrs. C. W. Bowen, Mrs. Leonard Britt, Mrs. R. D. Wheelock, Mrs. W. E. Miller, Mrs. Aubrey Crossland and Miss Eula Potter.

PATTERSON MEETS WITH
CENTRAL H. D. CLUB MONDAY

Members of the Central Home Demonstration Club met with Mrs. Otto White on Monday, April 26.

Mrs. S. R. Hood presided, and Mrs. White acted as secretary in the absence of Mrs. S. L. Terry. Mrs. Levi Cole gave the opening exercise.

The program was on "Trees" and roll call was answered by each member naming a tree in her yard which she had enjoyed.

The program "Windbreaks and Screen Planting" was conducted by Miss Lou Ella Patterson, who used four advantages of a windbreak: 1. Check wind; 2. control snow; 3. evaporation; 4. control temperature. She stated that screen planting afforded privacy and blocked from view undesirable objects.

For all-year effectiveness a combination of deciduous and evergreen material is desirable in every screen planting.

Flowers decorated the entertaining rooms.

Delicious refreshments of lemon chiffon cake, sandwiches, salted nuts and punch were served to the guests, Miss Patterson, Mrs. Marion Higdon, Miss Joyce Barker and Mary Louise and Dorothy Ann Higdon; members, Mrs. George Barker, Mrs. Douglas Marshall, Mrs. Hugh Kelso, Mrs. Maude Walters, Mrs. T. A. Kluck, Mrs. W. L. Rice, Mrs. S. R. Hood, Mrs. Levi Cole and the hostess.

F.H.A. FROM W.T. HIGH
CAMP IN PALO DURO FRIDAY

Twenty-one members of W.T. High Future Homemakers of America, along with their sponsor, mascot, and student teachers spent the night of April 23 in the cabins on the rim of Palo Duro Canyon.

The group enjoyed hiking into the canyon and preparing the picnic meals.

The evening was spent playing games, telling stories, eating apples and roasting marshmallows.

Those attending included: Beverly Beck, Marilyn Condron, Bonita Brown, Ruby Lee Bonds, LaJuan White, Dorothy Carter, Mildred Carter, Frances Holman, Gloria Franklin, Kathleen Armstrong, Barbara Dutton, Dora Ann Amason, Betty Maddux, Carolyn Shugart, Paulla White, Dorothy Brown, Norma Jean Tomlinson, June Dodson, Jeanette Shelmutt, Janelle Womble, La Nelle Culwell; Mrs. Mary Ann Duke, sponsor; Martha Ann Duke, mascot; Wynona Smith, Gloria Gosch and Marjorie Bauer, student teachers.

TEXAS PROGRAM GIVEN AT
WEST SIDE H. D. CLUB

A program on Texas was enjoyed by West Side Home Demonstration Club members in the home of Mrs. Jim Carter on Wednesday, April 21.

The roll call was answered by each member telling an interesting place in Texas she had visited.

After the business meeting the program was turned to Mrs. J. D. Pruitt, who told of the six flags Texas had been under.

Peculiarities of Texas were given by Mrs. E. W. Bourn.

The club adjourned to meet in the home of Mrs. R. A. Burrus on Wednesday, May 5, at 2:30 p.m.

Refreshments of ice cream and cake were served to the following members and visitors: Mrs. Pruitt, Mrs. John Bryan, Mrs. Ray Metcalf, Mrs. R. A. Burrus, Mrs. E. W. Bourn, Mrs. R. E. Burrus, Mrs. J. J. Wright, Mrs. Louis Tucek and the hostess.

TEL. CLASS MEETS IN
HOME OF MRS. MILNER

The TEL. Class of the Baptist Church met in the home of Mrs. Dallas Milner Monday, April 26.

Fourteen members and one visitor were present.

The meeting was opened with prayer by Mrs. J. I. Payton. The devotional was given by Mrs. G. B. Heath. Mrs. L. H. Crawford talked on "Rededication of Our Lives and Homes."

Each member gave her favorite scripture and something she had received from the revival. Mottoes for the home were passed around by Mrs. Crawford.

The meeting was closed by a prayer by Mrs. G. C. Cole.

Refreshments were served to Mrs. Henry Cone, Mrs. J. T. Cartwright, Mrs. Heath, Mrs. Crawford, Mrs. Payton, Mrs. Cole, Mrs. S. L. Terry, Mrs. R. C. Yarborough, Mrs. Henry Murphy, Mrs. Harvey Cook, Mrs. Fred Sogree, Mrs. W. H. Sparks and Mrs. Frank Gerdes.

DINNER SUNDAY CELEBRATES
BIRTHDAY OF MRS. BURTZ

Although April 20 marked the birthday of Mrs. Mary Burtz, the dinner to celebrate the occasion was not held until Sunday, April 25.

Those present were: Mr. and Mrs. Earl J. Davis, Earline and Ervin of Jewell; Mrs. W. H. Bailey and Kenneth of Amarillo; Mr. and Mrs. Earl Burtz and Clifford of Pleasantview; Mr. and Mrs. C. W. Fewell, Lavon, Margie, Caroline and Bernard, Hale Center; Mr. and Mrs. C. B. Fewell and Clyde, Vega; Mrs. Ancl Scheubert of Dalhart; Mr. and Mrs. Onan Kile of Amarillo.

Mr. and Mrs. Floyd Montgomery of Borger spent the week end visiting here in the home of Mr. and Mrs. J. H. McMurray.

Yes Ma'am—you'll make a hit with your family every time you serve grand-tasting quality foods from COOPER'S. And when it comes to value—we're in a league by ourselves. Mrs. Gale Cook of Hot Springs, N. M., spent the week end in Canyon visiting with her parents, Mr. and Mrs. P. V. Winstead, and other relatives and friends.

Mr. and Mrs. C. L. Thompson were in Dallas this week attending the Texas Furniture Dealers Association convention.

Mr. and Mrs. John Guthrie, Jr., and daughters of Lubbock spent the week end visiting in the home of Mr. and Mrs. J. A. Guthrie and with other relatives in Canyon.

Mr. and Mrs. W. H. Harden went to Plainview Monday to visit in the home of their son, J. L. Harden, and family.

DR. AND MRS. GEORGE DOMEN HONORED WITH OPEN HOUSE

On the evening of Wednesday, April 21, Mr. and Mrs. E. J. Larson held open house honoring Miss Martha Fisk and Dr. George Domen of Amarillo, who were married April 23.

Among 50 guests attending were members of the medical and administration staff of the Veterans Administration Hospital in Amarillo with their wives and husbands, a few relatives and close friends of the young couple.

The table centerpiece was a beautifully decorated cake in blue and white, the bride's colors. Blue and white daisies and blue candles formed the buffet piece.

The couple was presented several pieces of their chosen china by the Veteran Hospital employees.

ATTEND I.O.O.F. REBEKAH ANNUAL CONVENTION

Miss Columbia Redfearn, Mrs. Will Myers, Mrs. DuBois Walker, and Mrs. W. I. Wester attended the 47th session of the Panhandle Association of I. O. O. F. and the Rebekah Lodges in Hereford April 25-27. Amarillo was selected as the place for the meeting next year.

Mr. and Leroy McDaniel and children of Canadian were in Canyon over the week end to visit in the home of his parents, Mr. and Mrs. J. C. McDaniel.

Mr. and Mrs. P. V. Winstead left the first of the week to return to their home in Siloam Springs, Ark., after a visit here with relatives and friends.

Billy Boston of McLean spent the week end visiting here with his parents, Mr. and Mrs. Murray Boston.

Mr. and Mrs. E. C. Paxton visited at the George Cook home Friday evening.

Kenneth Cofer of Houston spent the week end at the home of his parents, Mr. and Mrs. Roy Cofer.

Mrs. O. Cole of Rule, Texas is a visitor this week in the home of her sister, Mrs. C. A. Murray.

Mrs. Jessie Reid is visiting this week in the home of her daughter, Mrs. Jim Collins, in Plainview.

Cro-Magnards used colors in drawings on cave walls in southwestern Europe 30,000 years ago.

The income tax collector, unlike the average housewife, can get a man's money without half-crying.

Mrs. Guy B. Tabor has returned from Ft. Riley, Kansas, where she spent ten days with her daughter and son-in-law and family, 1st Sgt. and Mrs. James H. Scott, Billy and the twins, Johnnie and Tommie.

Week end visitors in the I. M. Steen home were Mr. and Mrs. Euell Johnson, Mrs. Eunice Johnson and children of Plainview, Mr. and Mrs. Jimmie Campbell and children of Amarillo and C. E. Steen of Groom.

Mrs. E. Gidden and daughter, Sibyl, Mrs. Wilson Campbell, Mrs. Carl Anderson and Paul Richards visited over the week end with an aunt Mrs. A. Stewart, who is ill, in Forest, New Mexico.

Miss Beryl Hixon has just returned from Galveston where she and a group of F. H. A. girls from Amarillo attended the state meeting of the Future Homemakers of America.

Orlin Brewer, Senior student at Texas Technological College, Lubbock, has been elected as editor of the college newspaper, The Tornado, for the next year. He is a brother of Mrs. R. D. Wheelock.

Mrs. W. O. Parker spent the week end visiting in Pratt, Kans., with relatives. Her daughter, Karen Sue, who has been visiting there returned with Mrs. Parker.

Mrs. Russell Jones of Childress is visiting in Canyon this week in the home of her parents, Mr. and Mrs. L. C. Moreman. Mr. Jones was in Canyon Saturday and Sunday.

Mrs. O. W. Parker is in Pratt, Kansas visiting with her sister, Mrs. C. R. Cole. Karen Sue Parker, who has been visiting there for some time, will return home with her mother.

Mr. and Mrs. R. D. Lowry have returned from a vacation trip to Houston, Freeport and Bay City where they spent two weeks.

Mr. and Mrs. Hosea Foster returned Saturday from a vacation trip to California. They found hot weather and high winds on the trip.

Mr. and Mrs. C. P. Stephenson of Amarillo spent Sunday visiting in the home of her sister, Mrs. C. R. Flesher.

Mr. and Mrs. Bill Bourn and children of Amarillo were Sunday visitors in the home of his parents, Mr. and J. W. Bourn.

Dan K. Usery of the News force has been sick at his home during the past week.

Mr. and Mrs. Johnny Sims and children of Phillips were week end visitors in the home of her parents, Mr. and Mrs. G. B. Heath.

Charles Head was able to return to Canyon last week. Charles is a student at West Texas State College and he was injured in a car accident near El Paso several weeks ago and has been a patient in a hospital in that city since that time.

Mrs. Mary Dale Buckner of Washington, D. C., and Mr. and Mrs. Dale Buckner of Lubbock were week end guests in the home of Mr. and Mrs. Lorenzo Wirt. Mrs. Buckner is a sister of Mrs. Wirt and Mr. Buckner is a nephew.

Mrs. E. I. Boyce returned Sunday night from Brownstown, Ill., where she has been visiting with her sister, Mrs. J. W. McCormick, who was ill.

Mr. and Mrs. G. M. Abbott visited in Amarillo Sunday in the home of their son, Ferrell Abbott.

Mr. and Mrs. H. R. Fulton, Sr., and O. A. May are spending the week vacationing and fishing at Hot Springs, N. M.

Mr. and Mrs. Shirley Pitts and children, Barbara and Herman Dale, of Silverton spent Sunday in the home of Mrs. Pitts' parents, Mr. and Mrs. Dale Shelmutt in this city.

Dr. C. E. Donnell of Plainview was in Canyon Friday to visit in the homes of his sons, Charles and Reeves Donnell. He is a former resident of this city.

Mrs. Elzie Price visited with friends and relatives in Seminole and Plainview last week.

SAMUELSON MOTOR CO.

LEE TIRE PRICES DOWN

A stop inflation policy was announced today as the first of its kind in the automotive tire industry, by A. A. Garthwaite, president, Lee Rubber & Tire Corporation. In line with the action recommended by Congressional leaders in the National Administration, this policy combines price reduction with maintenance of quality.

Effective April 12 and applying to the popular line of LEE DeLuxe 5 Rib tire, 4 ply rating, there will be a reduction from \$15.25 to 12.95 plus tax, for size 6.00-16. Other sizes will be reduced proportionately.

The LEE DeLuxe guaranty against all road hazards for 12 months will be maintained without change and serviced from Coast to Coast on this line.

This brings to the motoring public the outstanding long-mileage tire at better than pre-war economy. No change in the price structure of the LEE Super DeLuxe line can be made at the present time, Mr. Garthwaite explains, because of the style and luxury features incorporated in it, but the road hazard guaranty will be extended to 15 months.

Lipscomb to 2 mi. south; Fr. Cunard Ave. in White Deer south 5.373 mi.; Fr. US 87, 4 mi. N. of Happy to Armstrong C. L.; Fr. Randall C. L. to Wayside; Fr. Texline east 7.658 mi. US 60 US 287, 66, St. 51, 117, 305 & on Highway No. FM 294, 285 & 296, covered by C 66-1-2, C 66-2-3, C 66-4-9, C 90-4-11, C 168-8-10, C 168-5-6, C 225-2-3, C 355-5-2, C 582-1-5, C 582-2-4, C 788-2-2, C 789-1-2, C 789-2-2 & C 790-1-2, Dallam, Sherman, Moore, Oldham, Randall, Deaf Smith, Hansford, Lipscomb, Carson, & Armstrong Counties, will be received at the Highway Department, Austin, until 9:00 A. M., May 12, 1948, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has ascertained the wage rates prevailing in the locality in which this work is to be done. The Contractor shall pay not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type of "Laborer," "Workman," or "Mechanic" employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of James G. Lott, District Engineer, Amarillo, Texas, and Texas Highway Department, Austin. Usual rights reserved. 812

There are few known instances of murder or assault among the men who spend their days killing animals for human consumption. They live with blood and violence all the time, but they hate it. They are the gentlest lot of men on earth.—Henry B. Sell, meat packing company executive.

When the merchants of America must all talk like Government lawyers, life will be most complicated. Advertisements will look like the Federal Register and will be read about as frequently.—Lowell Mason, Federal Trade Commissioner.

Those Commies stop at nothing. One of them called me a "man of dubious distinction," which was probably true enough but it was the guy who said it who burned me.—Adolph Menjou, film actor.

Some people create happiness wherever they go—others whenever.

BURROW LUMBER CO.

Lumber Firms Note Year of Prosperity
Continued High Demand and Price Drop Foreseen.

PORTLAND, ORE. — The lumber industry rode the crest of a sawdust flood to the most prosperous year in its history in 1947. Production topped 1946, which in turn exceeded the war years; orders were almost limitless; prices were high.

The outlook: Continued record demand; a possible decline in prices, particularly for lower grades; greater production.

Highlights of the year: A gradual lowering of extreme speculative prices of the spring, an end to wartime allocation controls, and continued strong demand for construction lumber at the year's close, counter to seasonal experience.

Shipping Is Bottleneck.

H. V. Simpson, executive vice president of West Coast Lumberman's association, said the only factors which could prevent record production in 1948 would be shortages of cargo ships and rail cars. Last August, lumber piled up in western Oregon storage yards to such an extent that an estimated 200 mills closed at intervals and others ran on reduced shifts because the supply of boxcars was insufficient to clear stocks.

George T. Gerlinger, one of the Northwest's major lumbermen, said an extra 300 freight cars a day for two months would cut prices 10 to 15 per cent because the sudden flood of lumber into retailers' hands would put an end to extreme competitive bidding.

For six years, W. E. Griffie, assistant secretary-manager of Western Pine association, pointed out, there has been an eager buyer for nearly every carload of reasonably well manufactured lumber. But until recently buyers weren't too concerned over how well the lumber was manufactured.

Small Mills Modernizing.

Millmen agree now that although the scales are tipping toward better lumber, the small, ill-equipped, war-born operations have not folded as predicted. Instead, they are making improvements, utilizing custom drying and milling installations, and are cashing in on unceasing demand. Small operators, particularly those with less efficient equipment, see a sharp price drop as their only threat.

John W. McClure, secretary-treasurer of National Hardwood Lumber association, said supply of the lower grades of hardwood has pretty well caught up with demand but the upper grades have lagged.

First Berries of Season
Auctioned for \$10 a Pint
HAMMOND, LA. — The first pint of strawberries of the season to be auctioned off brought \$10.58, according to the Rev. Alexander Bartus of Albany, pastor of the Presbyterian church. Sale of the berries was at the Community house in Albany.
Mike Erdey Sr. picked the first pint from his field and Mr. and Mrs. F. G. Minor of Baker were the successful bidders. The fruit appeared almost normal, with aroma equal to the height of the season. A crate of 24 pints, computed on the above auction price, would total \$253.92.

Autos of 1950 Will Be Even Lower and More Streamlined

DETROIT.—The ideas of top designers in the automobile field are embodied in a new super-streamlined vehicle drawn to attract the car buyer in 1950.

Presented in the Iron Age, metal-working publication, the drawing shows the trend toward vehicles with the unusually low center of gravity achieved in the new Hudson, and an even more exaggerated all-around window plan to provide better vision.

Postwar cars of "The Big Three" won't be strikingly different from the postwar models with continuous fender lines like those of Hudson, Packard, Studebaker and Kaiser-Frazer, observes Walter Patton, editor of the magazine.

In fact, they may not be easily distinguished from each other.

"The new cars will look more like integrated units and less like an assembly of pieces of steel," he predicts.

"Hoods will be shortened as fast as new V-type motors become available."

Hoover's Brother Is Adept at Slugging Sea Lions With Bat

OAKLAND, CALIF.—The brother of former President Herbert Hoover is pretty good at slugging sea lions over the head with a baseball bat, says Photographer Sid Snow, who has watched such encounters. And it's all because of the slugger's love for salmon.

At a certain time each year, Snow explains, breakers crash through sand dunes blocking an inlet to the sea at Theodore Hoover's Rancho del Oso near Davenport—and salmon rush in to spawn.

Sea lions, scenting a feast, follow the salmon—and meet Hoover, hip-booted and armed with a baseball bat.

Barbed Wire — Balling Wire. Consumer's.

You can't put a \$4 billion preparedness program on top of a \$6¼ billion foreign recovery program without a very strong inflationary push. It's a sobering situation.—Dr. Edwin G. Nourse, Presidential Economic Adviser.

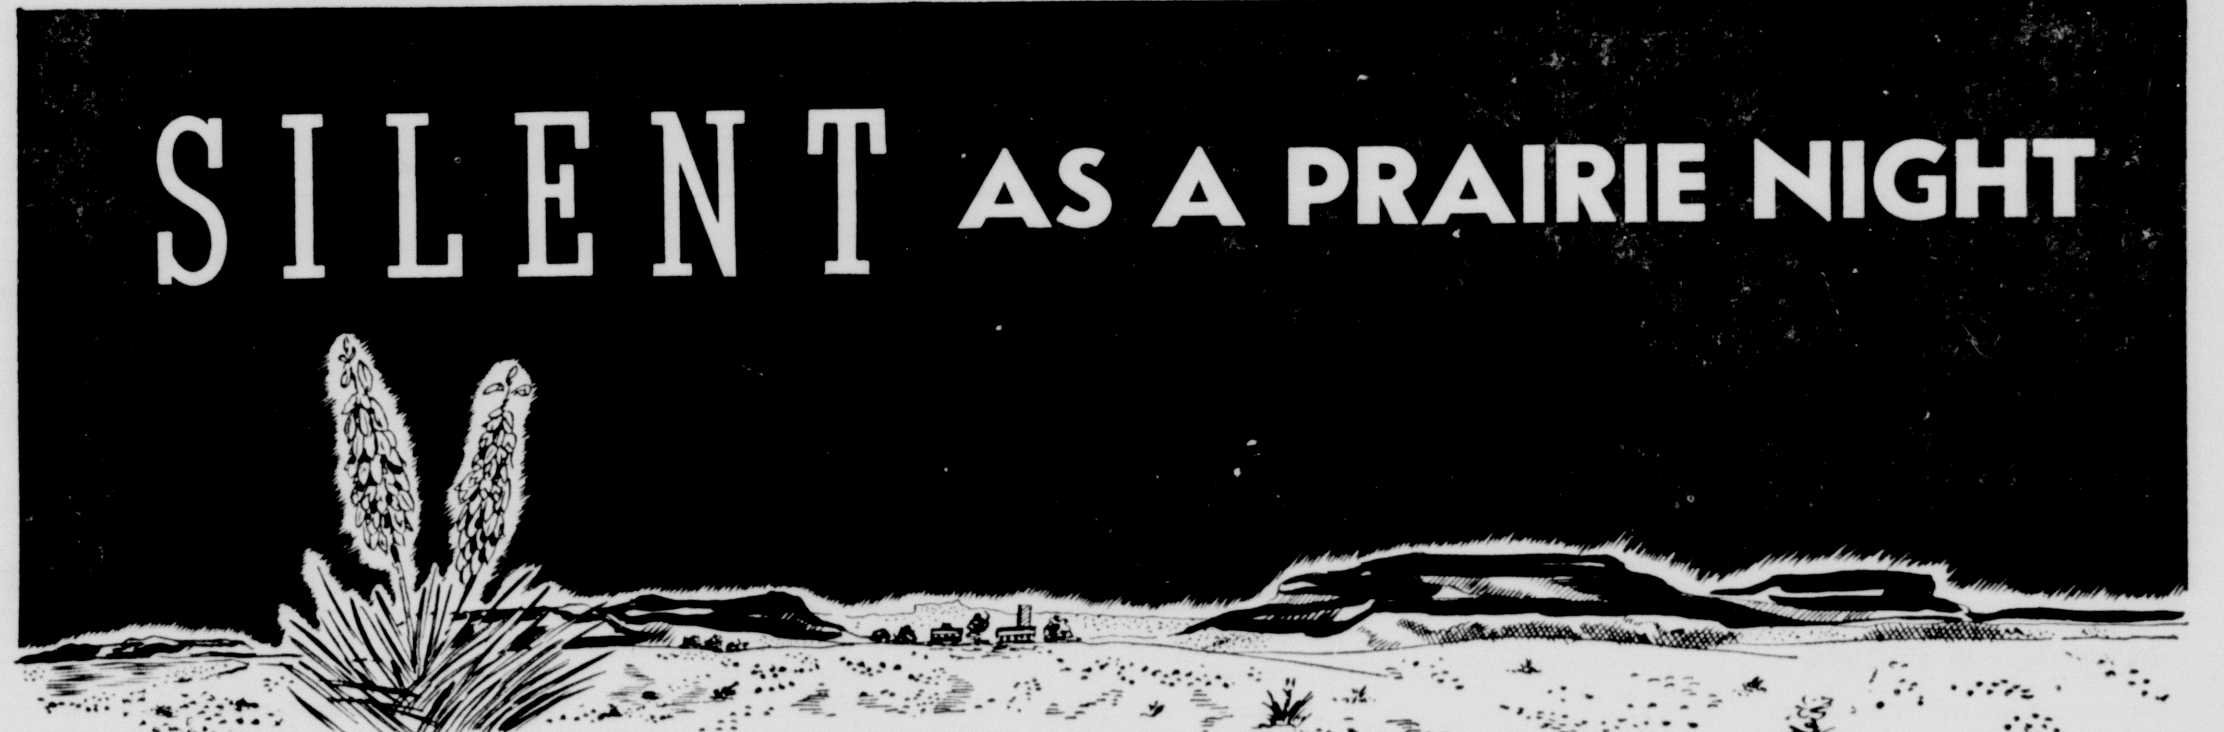

SAY "AH" (OH, HO!)
Nothing makes me feel less brisk Than have the Doctor go "Tsk, tsk!"

SILENT AS A PRAIRIE NIGHT
SERVEL Stays Silent Because It Freezes With No Moving Parts!

Come see it—the famous Servel Gas Refrigerator with no motor, no valves, no piston or pump, no machinery, in its freezing system. Just a tiny natural (or liquid) gas flame does the work—with no noise, no wear. So Servel IS silent... STAYS silent. And, too, because the Servel Gas Refrigerator has no moving parts in its freezing system there's nothing to grind... to wear out. So Servel is longer lasting.

But that's not all... with Servel's silence and long life you also get the beauty of modern Servel styling. For Servel is beautiful... and, practical, too! It has every new convenience to save you marketing time, make food storage easier. Fresh foods and frozen foods are right at home in a Servel Gas Refrigerator retaining the wholesomeness and freshness so necessary to good, tasty eating.

More than two million families (thousands in the Panhandle) are enjoying silent Servel Gas Refrigeration today. Ask any of them, and they'll say, "Pick Servel. We know from experience, it stays silent, lasts longer!"

And, for those of us in the Panhandle, Servel's operating cost is so small as to be almost negligible. That's because we are fortunately situated near the heart of the world's largest gas fields and so enjoy gas rates which are among the lowest in the entire nation.

STAYS SILENT... LASTS LONGER

Baptist Church Reaches New High Goals for April

The Baptist Church in Canyon reached a new high attendance goal in April, according to announcement of Pastor Roy L. Johnson. The revival attendance was the best in many years, and Evangelist C. B. Jackson was most popular with many who heard him. There were 89 public rededications, and 58 additions to the church, 38 of them on profession of faith for baptism.

Supt. A. K. Goodman reports a new high Sunday School monthly average of 504, as well as a new high of 591 for one Sunday. Miss Eula V. Potter, Director of Training Union, reports a high of 253 on April 25, which is an all-time high, and a record average of 200 for the month.

The annual Vacation Bible School at the Baptist Church will be held May 31 to June 11, and arrangements are being made to have the largest number of boys and girls 4 to 16 ever enrolled in such a school.

Wayside News

Rev Stan Unruh filled the pulpit Sunday morning and night.

Mr. I. A. Stevens is very low and in the Neblett Hospital in Canyon. But last report he was some better.

Mrs. Jack Foster is in the Tulia hospital after a major operation last of the week.

Transportation of School Children Is Big Business

Public school busses travel Texas roads a distance equal to 2,160 trips around the world every nine months. The 6,074 busses which transported 346,051 pupils traveled a distance of 54,000,000 miles during the 1946-47 school year.

That transportation of school children is a big business was pointed out by Charles H. Tennyson, public relations director of West Texas State Teachers Association.

During the 1946-47 school year there were 6,074 busses driven by 5,750 men and women. They were paid approximately \$3,000,000 for their services.

While 238,821 of the pupils are attending schools receiving supplemental support from the state in the form of equalization funds, 107,230 are in districts which receive no additional help from the state. The state supplemented transportation aid last year in the amount of \$9,702,040, Tennyson said.

Persons seeing an occasional yellow bus on the highway, or even parents of children transported to and from school, can hardly realize the magnitude of the public schools' transportation system, Tennyson pointed out.

A total of 230 of the state's 254 counties have school districts which own and operate their own school busses, he said.

"The development of the public school transportation system is the result of the public's demand for better educational facilities for their children," Tennyson emphasized. "Should Texas ever get a good rural road system, our schools will improve proportionately. Many of our school with their present inadequate teaching and physical facilities will then have modern efficient school systems for the youngsters of the state. An increase in the school bus transportation system in Texas is, therefore, inevitable, for each year a great many more schools consolidate and the development of county-wide districts is becoming more common in Texas. The cost of

our transportation system will of necessity increase accordingly. Hundreds of our present school busses are both inadequate and unsafe, a condition which we hope to see remedied as soon as possible."

College Presidents Invited to Austin By Dr. L. A. Woods

Dr. J. A. Hill, President of West Texas State Teachers College, has been invited to a meeting of college presidents in Austin on April 30 by Dr. L. A. Woods, State Superintendent of Public Instruction.

"This meeting is of primary importance in the development of health education programs for teachers," said Dr. Woods. The Texas Health Education Program in colleges will be discussed.

Hugh B. Masters, Educational Director of the Kellogg Foundation, Battle Creek, Michigan, will speak at the dinner session.

A review of the activities of colleges actively engaged in the Texas Health Education Program will be given at an afternoon session followed by a panel discussion made up of representatives of these colleges on elements of training in health education. An open forum will be held then on "What are the next steps for carrying on the Texas Health Education Program?"

Also invited to attend are the members of the State Health Education Council, representatives of the State Department of Health, and directors of the State Department of Education.

This meeting will climax a series of health evaluation programs throughout the state during April at the colleges and public schools participating in the Texas Health Education Program.

Wayside News

Sister Cox, the Assembly of God preacher from Amarillo, was with us Sunday and was accompanied by her sister-in-law, Sister Laura May Leonard. Mrs. Leonard with her family has recently returned from Argentina, S. A. where they are missionaries. She gave an interesting talk on customs and ways of South America. Mrs. Cox and Mr. and Mrs. Leonard gave musical numbers on trumpet and accordion. Sister Cox will be with us on her regular third Sunday appointment in May.

Mrs. E. A. Franklin is at home after having spent 2 week's visiting with her children in South Plains, Alton and Happy with her children.

Mrs. Hattie Coleman spent the week end with a son Emmitt Coleman and family in Happy.

Mrs. Willie Modisette went to Amarillo Sunday after his wife and son spent last week in the Artie Brawner home.

Mr. and Mrs. Henry Hamblen have a little niece visiting them.

The Len Fisher and the Oren Fisher family attended services at Wayside Sunday morning.

Mr. and Mrs. W. R. Franklin were Happy and Tulsa callers Saturday.

I. A. Stevens is still very ill in the Nebbett hospital in Canyon.

J. R. Lockett and Chas. Kennedy made a business trip to Amarillo and Claude one day last week.

W. R. Franklin attended services at the Assembly of God Church in Canyon Sunday night.

We had a shower of rain Thursday. It was good on grass and gardens, but we would like to see more soon.

Vance Sluder of Happy spent Sunday night in the home of his

No. 2035
CITATION BY PUBLICATION
STATE OF TEXAS:
To: J. W. Broyles, if living, and if dead, his heirs, their heirs and legal representatives,
GREETING:

You are hereby commanded to appear and answer Plaintiff's petition at or before 10 o'clock A. M. on the first Monday after the expiration of Forty-Two (42) days from the date of issuance of this citation, the same being Monday, the 10th day of May, A. D. 1948, before the Honorable District Court of Randall County, Texas, at the Court House of said County, in Canyon, Texas.

Plaintiff's petition was filed in this suit on the 27th day of March, A. D. 1948, the file number of said suit being No. 2035. The name of Plaintiff in said suit is J. A. Duniven, and the name of the Defendant is J. W. Broyles, if living, and if dead, his heirs, their heirs and legal representatives.

Plaintiff sues in trespass to try title for the following tract of land, located in Randall County, Texas, and more particularly described as follows:

All of Lot No. Eight (8), in Block No. E, of the Broadmoor Addition to the City of Amarillo, Potter County, Texas, according to the map or plat of said Broadmoor Addition, of record in the Deed Records of Randall County, Texas, to which reference is here made.

By Second Count, Plaintiff claims and asserts title to said property and premises under and by virtue of the Ten-year Statute of Limitation, alleging that he has held peaceable and adverse possession of said premises, using and enjoying the same, and paying taxes thereon for a period of more than Ten (10) consecutive years next prior to the filing of this suit. Plaintiff prays judgment of the Court establishing title in him to said land and premises and for general and special, legal and equitable relief.

If this citation is not served within Ninety (90) days after date of its issuance, it shall be returned unserved.

Issued this 27th day of March, A. D. 1948.

Given under my hand and seal of said court, at my office in Canyon, Texas, on this 27th day of March, A. D. 1948.

T. H. LAIR,
Clerk of District Court,
(Seal) Randall County, Texas.
By F. Thompson, Deputy.

50th Anniversary 1948

AGAIN WE MAKE THE MOST UNUSUAL OFFER IN THE TIRE BUSINESS

YOUR MONEY BACK
If Super-Cushion Tires Don't Give You The Softest Ride You've Ever Had!

YOU RIDE....THEN YOU DECIDE!

We mean every word we say — we'll put a set of Super-Cushion tires and tubes on your car. Drive it for a week. Then, if you don't agree they give you a softer ride than any other tires you've ever owned, we'll replace them with your old tires and give your money back!

Super-Cushion is a remarkable new kind of tire. Bigger, softer... it runs on only 24 pounds of air. It is so superior that we make this amazing trial offer... for a very limited time only due to the great demand for Super-Cushions. Don't delay — take advantage of this unusual opportunity today!

Super-Cushion TIRES BY GOOD YEAR

HERE'S WHY THIS GREAT NEW TIRE WILL MODERNIZE YOUR CAR!

- 1. SOFTER RIDE!** Super-Cushions run on only 24 pounds of air — give you a softer ride and a wonderful new ease and stability in car handling.
- 2. ABSORBS SHOCK!** Super-Cushions are the first tires ever made that absorb lateral shock satisfactorily. They soak up jolts and vibration. Result: less wear on your car—fewer repair bills.
- 3. MORE MILEAGE, TOO!** Super-Cushions consistently average more mileage than the best standard tires. Because they have a larger contact area with the road, you get better traction—less skid, quicker starts and stops!

PAY AS YOU RIDE—TERMS AS LOW AS \$1.25 A WEEK!

DEAR PARENTS And FRIENDS

Class Banquet Is Week's Hi-light

Much Secrecy Surrounds Junior Plan for Event

According to a custom established in Canyon High School's early days, the Junior Class will honor the Seniors of 1948 with a banquet.

This year's festival will be held Friday, April 30, with approximately one hundred and twenty-five guests, including the Juniors, who will attend.

Main Features Are Secret

The main features of the affair will be kept secret. This includes the menu, the name of the speaker for the program, but the place for the banquet is in the Blue Room of the college cafeteria.

Girls are purchasing formal or pressing up the pretty one they have, while boys are jingling phones making dates and planning to buy those corsages for "My Lady's" costumes.

Concluding the evening's pleasures will be the "Prom" when the Seniors and the Juniors may treat "A last measure" for memories which will be cherished long after school days are past.

BIG FISH AND GOOD GRADES

Well, kids, hop on my choo-choo train and I'll take you down to the Southern Atlantic coast of the United States to the best large game fishing ground to be found—the tarpon. They are somewhat like a salmon and grow to the length of nearly seven feet, and they sometimes weigh as much as 200 lbs.

Yes, this kind of weather makes one want to sit down by a river bank and throw out that old bait to drag in those finny fellows.

All this sounds well and good. How about fishing for passing grades for this term? By fishing one doesn't mean to flatter and cajole the instructor out of a grade that is not deserved, but by studying and fishing for facts in the assignment that will be made from day to day, now, for the next few weeks.

A good sportsman is never too tired, too uncomfortable or too low in spirits to angle for that big catch. Are we good sportsmen when it comes to angling for solutions of those math problems, writing those themes, and reading assigned work? Huh? Are we?

Grade Notes

Velda Jean Cullum withdrew from Mrs. Roscoe Davis' room to move to Arizona.

Mrs. Don Ransom and Barbara from Claude visited in Mrs. Collins' room.

Billie Gene New has been absent from Mrs. Black's first grade because of the chicken-pox.

Loretta Frost of Mrs. Black's first grade moved to New Mexico.

Ruby Lee Cullum of Mrs. Cousins' fourth grade moved to Arizona.

The following poems were written by some members of Mrs. John Davis' sixth grade.

"A Song" by Billie Graham
One day I sat upon the ground
To see what I could write;
I wrote about a lot of things
To see how it would sound;
The story was of wind and kites,
Of queens and dogs and kings.

I wrote of the night and day;
I told about the time I spent,
Of doing bad, of doing good;
I sang a song of May
By saying what I meant,
Of doing what I could.

"The Clock" by Billy Ray Carter
Mr. Clock, you tell the time,
While I make up a rhyme.
To make our work look better
We must study each letter.
Oh! Mr. Clock, you look wise;
I can tell by your eyes.
Please don't look so much this way;
If you do I can't say my say.

Mr. Clock, what was that you said?
Its time for me to go to bed?
Please don't say it's that time,
Because I haven't written my rhyme.

Mr. Clock, are you striking midnight?
Well, I guess that you are right.
I'll go to bed, and some other time;
I'll try again to write a rhyme.

Mrs. Nora Gilmore's sister, Mrs. G. T. Hanners was a visitor in the press room, Monday. Her home is in Lovington, New Mexico.

Whew! What with picnics, plays, etc., its' sorta hard to come back to school this week but somehow we managed and here is what we found out that happened over the week-end:

"Goober" Miller and Sue Dickerson doubled with "Inky" Zachary and Bill May Saturday night. Did you all have fun?

Seen at the Senior Play were some cute couples such as Joe Abbott and Chloe Ann Black, Norris Root and Betty Miller, Jimmy Lindsey and Sue Dickerson, Bryce Slack and Fay Dickerson, Jerre Inman and Dorothy Carter of W. T., Donnell Ruthardt and Jo Parker, and Mary Elizabeth Jennings and Malcolm Gunter.

Rumor has it that Austell Burrus was with Juanita Avent last Wednesday night. Can this be true? Really, Austell!

Suzanne Stevenson were you actually with Jackie Jackson of W.T.?

Has anyone noticed Donald Davis' new smile? Surely it couldn't be because Mable is back, could it?

It seems Richard Walters has a very glamorous girl friend in Amarillo. All we could find out was her first name, Liza. Tell us about her Richard, what is her last name?

Valeta Haines and Bill Abbott have been seen together quite frequently lately.

Paige, why wasn't your fiancée, Betty, at the play to watch you perform?

Noon, everyday finds Horace Carter chaffering Rose Marie Thomas and Sue Lamkin around. Aha!

Max Bellah and Martha Wilson make a very cute couple, don't they?

Which reminds me, some new couples who have dates for the Jr.-Sr. Banquet are Guy Brant and Sue Ann Colwell, Clifford Burtz and Wanda Parker.

There is a new romance with every spring (somebody said). For example, Teddy Howell and Jimmy Cornette.

Jo Ann Bullard and "someone" had a date after the senior play. Who was it, Jo? By the way they doubled with Bob Duniven and Dorothy Butler.

Cal is trying to solve a mystery. Where is Clifford's ring from Amarillo?

Guess Mary Ruth Hill will learn not to go to bed so early won't she, Mickey King?

Well all you lucky people, I'll be seeing you all next week—until then, keep 'em gossiping!

John Paul Jones was the first great naval hero of America.

Home Ec Girls Give Tea for Faculty

Girls of the third year Home Economics class entertained the high school faculty with a tea last Tuesday afternoon. The guests were invited into the dining room by Verna Davenport and Gladys Lowe.

A spring motif was carried out throughout the tea. The lace covered table was centered with an arrangement of pink and violet spirea flanked on either side by lighted tapers.

The motif was further carried out in the refreshments. Sandwiches of cheese pinwheels, pimento ribbons, and open-faced cherry nuts were served. The flower-shaped cookies and cream mints were in pastel colors. The Oriental mint punch was served by Jo Bullard assisted by Frances Standley, Jean Hill, and Joyce Carter. Other hostesses were Eula Mae McCarter, Lorilla Devin.

Special guests attending were Miss Glady Armstrong, Mrs. Mary Anne Duke, Mrs. Loyd Devin, Mr. E. A. Wooten, and Mr. J. E. Miller.

Seniors Will Give Box Supper Soon

Going, Going, Gone!! This phrase will be heard throughout CHS at the box supper on the night of May 7. This social will be sponsored by the senior class to raise money for their trip and the gift to the school. It will be held in the high school gym starting at 7:30.

The senior class wishes to urge the public as well as the student body to attend this affair. Now you girls be sure and prepare an attractive box in order that all the men will be anxious to bid on your box.

A boy and girl will be selected from each class to be run for the prettiest girl and ugliest boy. The ballot boxes will be set up very soon with each vote costing a penny. Everybody, cast your vote for your choice. The contest will end the night of the box supper with a prize going to the winners.

Sponsors Declare Play a Success

It wasn't any accident Thursday when the senior play "Accidents Will Happen", went over in a big way. The High School auditorium was filled to capacity at both the matinee and night performances.

Special recognition was made and gifts were presented to directors Mr. and Mrs. T. L. Devin, an ornamental clock, and Miss Lurline Bowman, a jewelry box, at the night performance.

Gifts of appreciation, ash trays and dresser sets, were also presented to the make-up men and women. The make-up work was under the direction of Jack Walker, speech teacher at Canyon High School. His helpers were Lin Welch, Mary Frances Colwell and Frances Alice Harp.

Two High School Boys Are CHS Picnic Casualties

L. G. Campbell and Bill Wayne Bond, students of Canyon junior high school, were injured in falls from "Devil's Slide" last Friday at the school picnic in Palo Duro State Park.

L. G., after slipping most of the way down the slide, made an effort to miss a rock in his path, and doing so, flipped over on his back, rolling and sliding the remainder of the distance to the base of the slide. His speed forced him over a ledge of rock there. He kept going and landed on rocks in the ravine below, lacerating his scalp painfully. It was necessary for the doctor to take five stitches to close the scalp wound he suffered. His legs and back were skinned, also.

Billy Wayne Bond, also, lost control of himself and slipped down the slide, but checked his fall before he toppled over the ledge at the base.

Here Is Our Plea...

Palo Duro Park Is Scene of Picnic

Over three hundred students, teachers and room parents attended the all-school picnic at Palo Duro Park last Friday. Hot dogs, cokes, punch, cookies, and cherries were served by the room mothers. Base ball, football, hiking, wading and climbing furnished entertainment for the group. Transportation was furnished by eleven school buses, two pickups, a jeep and a truck.

"The school picnic was a success. We had an ideal day, plenty of food, cokes, punch, and cherries for everyone. The students had a wonderful time climbing hills, wading, and playing games. We had only two casualties and a lot of blistered faces, scratches and bruises," says principal J. E. Miller.

Saturday is your opportunity to contribute something to the welfare of your children. Saturday the citizens of Randall County will go to the polls to vote on the Public School Bond Issue. It is the duty of all qualified voters to cast their votes in this election. This is to benefit the school children of Canyon, to give them the opportunities and privileges which are rightly theirs.

To give you an idea of the needs of the school we have listed them below. An extended vocational agricultural program is needed. Present program is being held in check because of the lack of adequate rooms in which to teach the subject. The music department is lacking in having a place to carry out its work. All phases of this subject are carried on in the auditorium from which come sounds of confusion and noise disturbing the entire building.

Rooms for the wood shop and

mechanical drawing classes are needed to accommodate the many students who wish to take these subjects and cannot because of inadequate space for machinery and instruments.

All of these classes are taking rooms which are needed for other activities. Additional buildings are necessary to provide for a boys' athletic and locker room now badly needed and a cafeteria. Tables are being used in the third story hall by the students because of the lack of a cafeteria. A permanent building between the two schools is "a must" to unify present facilities and allow grade school children sufficient protection during winter months as they go from one building to another. This building will not only benefit us but will be used by civic groups and other organizations of our City and County.

Another need of the Canyon Schools is a parking area and a bus loading zone behind the school to relieve the present dangerous traffic congestion in front of the school building. Also included in the Bond Issue is the provision for the re-wiring and re-lighting of the class rooms now in use, which is indeed inadequate.

It is up to you, the qualified voters of this county, to give us these things by your vote. We have done all we can to promote this Bond Issue and now it is in your hands.

Your children,
Jane and Joe

We, the students of Canyon High School, ask your help in bettering our school by casting your vote in the Canyon Public School Bond Issue, May 1.

SUPPORT THE BOND ISSUE

Canyon High School, a good school to attend, a good school to be from. Yes, it is a school that is a credit to the town. We of the student body take pride in it, and want to make it the best in the Panhandle.

How can we do this with its facilities which were modern twenty years ago, but are now considered, shall we say, obsolete. Our home, yes, the school is your home for six hours of the day. Your home is modernized sometime, at least, more than twice in two decades. Your home has modern lighting, modern plumbing, and other modern facilities.

The lighting system of your school has been condemned by specialists who say the students eyes are endangered. What would you do if you found out your home's lights were injuring your eyes? The same thing that the students of CHS want to do: namely, improve such conditions.

Eat? Students who wish to eat in a cafeteria at school feel as you would if you had three hundred-fifty people tramping through your dining room all day. This is not very sanitary.

Please, Citizens of Canyon, we students of the school can't vote in the bond issue, but you, the people of Canyon, can, and you can help to make our school a better place educationally for us, and all the students who will enter this place for many years to come.

In doing this, he sat upon his right foot with such force that he cracked his ankle bone.

Fortunately, both boys are back in school this week, plainly "a bit worse for the wear", but able to meet classes.

The senior cards and invitations have arrived and are to be distributed among the students within the next day or two.

SPRING BREEZE

In a Cold War, icy words usually bring on a draft.

Since spring arrived, it seems odd to see American boys strolling around with overcoats on. They claim they feel a draft on their necks.

He who feels a draft wonders which way the wind is blowing.

Canyon Choir Is Guest of KVAI

Approximately forty members of the A Cappella Choir went to Amarillo Sunday to appear on a Good Neighbor program featuring Canyon High School as the good neighbor of the day.

The Choir sang three numbers during the program. These pieces were included in the program: "The Cherubim Song", "I See Your Face Before Me", and in closing "Now The Day Is Over".

A sextet composed of Merle Bullard, Jo Bullard, Betty Thomson, Betty Shuette, Barbara McDougal, and Sarah Jane Martin also performed, singing: "There Are Such Things", and "Begin the Beguine".

Included on the program besides the musical groups were talks by Mrs. Jess Barker, president of the P-TA, Mrs. Cecil Simms, head of the English department of CHS and president of the Classroom Teachers Association, and Mr. Clyde W. Warwick, publisher of the Canyon News.

Mr. James E. Miller, principal of the High School, was master of ceremonies for the program.

Preceding the program members of the choir toured the different parts of Station KVAI and some of them were taken through the Lane's Ice Cream Building which was across the street from the station.

Dumas Planning Big Celebration on May 20, 21, 22, 23

Fine horseflesh and gaily bedecked riders will dominate the huge parade to climax Dumas Dogie Days here May 20, 21, 22, 23.

The famed mounts and uniformed riders that make up Amarillo's colorful Will Rogers Range Riders will match showmanship with the equally colorful XIT Range Riders from Dalhart.

In between and conceding nothing in horseflesh will be Moore County's own riders from such historic spots as Flying A, Sneed Ranch, the J. A. the Dick Coon, the Taylor Range and many others.

Prize winning quarter horses will prance alongside of pampered palominos, grays, buckskins and sorrels in all the glittering panoply of the Old West.

The Dumas show opens with the opening of a giant midway here Thursday night, May 20.

Friday, May 21 is Old Settler's Day with picnics, reunion and old time dances.

The giant parade climaxing the celebration will move promptly at 11 a. m., Saturday, May 22.

A full three hour action packed rodeo performance will be held in a new arena starting at 2 p. m., Saturday, May 22 and at the same hour Sunday May 23. Already sure for the parade march colorful high school bands from Spearman, Phillips, Dalhart and Dumas.

Cal Farley Urged To Announce For Seat In Congress

Cal Farley of Amarillo is being urged by friends over the Panhandle to announce for Congress against Congressman Eugene Worley.

A delegation from Wellington, headed by Deskin Wells, came to Amarillo last week to urge Farley to announce. Wells was defeated by Worley for the seat in Congress from this district. Farley stated that while he did not wish to run for Congress, preferring to devote his time to the work at Boys Ranch, that if the people of the district wished him to do so, he would run.

We are drifting from pillar to post, and if we would avert war Secretary Marshall must be replaced without delay.—Rep. Harold Knutson (R-Minn.)

The way the Soviets keep on yapping makes the American people see Red.

Old definition of new wrinkle: Bustle—deceitful little seat-ful.

Polio Cripples About Half of Those Afflicted

The danger of crippling and death from poliomyelitis is very real and should not be minimized, but according to Dr. Geo. W. Cox, State Health Officer, a knowledge of the facts about this disease will help fight the fear of it, and aid in preventing the panic that is usually associated with the appearance of polio.

The facts about polio are these: It attacks so few people that 20 cases per 100,000 population is considered an epidemic. Half of those who get the disease recover without crippling. Deformities can be prevented and crippling lessened in many cases, by prompt, complete and sometimes prolonged medical care.

Even though these encouraging facts have been established, still with any other disease prevention is better than cure. Summer is the chief danger period, and to avoid the risk of contracting this disease, it is well to observe the following health suggestions, especially with regard to children: practice absolute cleanliness in personal, home and community life; try not to mingle with crowds; don't get over-tired since extreme fatigue lowers resistance; avoid chilling by swimming overlong in cold water; consult your doctor at once if a member of your family has fever, headache, nausea, a cold, upset stomach, muscle soreness or stiffness.

Following these suggestions will help to prevent the spread of polio but if you do have a case in your family, remember that the majority of patients with good care recover without crippling. Your fear of panic will only make it harder for you and your child.

District Rally of Methodist Church Here on Sunday

A Young Adult Fellowship Rally of the Amarillo District will be held Sunday afternoon, starting at 3 o'clock at the Methodist Church. This organization was recently formed in the district. A number of delegates from the various churches will attend.

The McMurry Deputation Team from McMurry College visited the local church Sunday evening, conducting the evening services as well as the Wesley Foundation.

Bishop Kern Will Preach Methodist Radio Hour May 2

Bishop Paul B. Kern, president of the Council of Bishops of The Methodist Church, will speak from Boston, Mass., on the Methodist Hour, Sunday, May 2nd. This program will come from the seat of the 1948 General Conference of this church and will feature music by the Boston Seminary Singers under the direction of Dr. James Houghton.

Bishop Kern will speak on "The Church and Its Hour of Peril" and in his message will present a challenge to the Methodist constituency to live up to the demands the present crisis is making upon the church.

Widely known as one of the great leaders in the field of education in his denomination Bishop Kern is recognized as one of the outstanding writers and speakers of Methodism. He is the author of several books and this year has been heard over more than 125 radio stations on a 13 week series of radio addresses on church school membership and attendance. Since 1938 he has been the resident bishop of the Nashville area which includes the Tennessee and the Holston Conferences.

The General Conference sermon

by Bishop Kern will originate in Boston through the facilities of WBZ and will be heard over an independent network of 66 stations. This program may be heard in this territory over KGNC at 7:30 o'clock a. m.

ALCOA ALUMINUM ROOFING makes better roofs and siding. Will not rust - easy to handle - economical. We have 8, 10, and 12 foot lengths. **CONSUMERS WHOLESALE.**

Fairview Breezes

The Rev. Wayne Wilcoxon delivered two excellent sermons for us Sunday.

Mr. and Mrs. S. F. Sharpes motorized to Austin Thursday to visit with their daughter, son-in-law and granddaughter, Mr. and Mrs. Bryan P. Smith and Nancy. They expect to come home Tuesday or Wednesday.

Mr. and Mrs. Pat Allen and Betty are staying with Etta Jean and Troy Wayne Sharpes while their parents are away.

Ervin and Charles Wilson, Wesley James, Arlen Ray Wesley and Troy Wayne Sharpes enjoyed a hike in the Canyons Sunday.

We were glad to have Mr. and Mrs. E. E. Wesley, Arlen and Artis at church Sunday.

Mr. and Mrs. E. E. Wesley and children visited Saturday night and Sunday with the J. W. Wesleys.

Mr. and Mrs. J. W. Wesley, Vesta Amerson, Mrs. Dean Cagle and Lynda shopped in Tulla Friday.

Mr. and Mrs. E. W. Schaeffer and Anna Belle shopped in Amarillo on Saturday.

Mr. and Mrs. H. H. Shipman and children visited Sunday with the G. E. Wesleys.

We were glad to have Tom Rogers back at Sunday School and church.

The H. D. Club meets Friday, May 7, with Mrs. Serena Bryan.

Mildred Bryan, who has been in the hospital the past two weeks, was able to come home Wednesday.

The Brotherhood meeting at Fairview Tuesday evening was attended by 13 men. Hollis Shipman was elected secretary of the organization, which is in cooperation with Wayside. Henry Hamblen is president. The men hope for more attendance in the future and urge all men to be present at the next meeting.

We received about .5 inch rain the past week. Hope for more soon.

The well meaning fool who persists in going to work with an acute and contagious virus infection is a real menace to any community.—Dr. Edward J. Steiglitz, Washington, D. C.

When we select a vice-president, the chances are almost one in three that we are selecting a future President.—Nash K. Burger, author.
